Panel Piedra Care & Maintenance

All Panel Piedra components can be cleaned by using the following instructions:

1. Dust and light soil can usually be removed by using a soft cloth with mild soap and water.

DO NOT use any oily or harsh cleaning products.

DO NOT use chemicals such as bleach, acid-based products, ammonia, lime scale removers, etc.

DO NOT use Scotch-Brite, Brillo, S.O.S. pads, or steel wool on any Panel Piedra products.

1. Chips, nicks, surface scratches and deep scratches can be repaired by using the color matching spray-paint or brush applied paint.

Surface scratches, scuffs or rubbed edges may be re-colored with an Instant Touch-up™ Marker or Pro-Mark II™ Marker
